

0.8 m

3.0 m

$h$

The diagram shows two adjacent rectangular blocks resting on a thick black horizontal line representing a surface. The block on the left is gray and has a height of 3.0 m and a width of 0.8 m. The block on the right is reddish-brown. To the right of the reddish-brown block, a vertical double-headed arrow indicates a height labeled  $h$ , which corresponds to the top edge of the reddish-brown block.
